

## CHILDREN OF EUROPE

---

Musik: Rolf und Alexander Zuckowski  
Text: Rolf Zuckowski

Here is some good news for me and you  
A dream of generations coming true

Children of Europe  
Get ready to see  
All of our nations  
united and free

Children of Europe  
Let's struggle to find  
Justice and freedom  
For all of mankind

For the big and the small ones  
The tiny and tall ones  
Future's in the air  
So lets all get together playing fair

Children of Europe...

From Estonia to Ireland  
From your land to my land  
New friends are so near  
So let's all get together without fear

Children of Europe...

Go and spread the news from East to West  
Europe's coming  
And you are it's very best

Children of Europe...
